EXPERIENCE

SNACK CREATIVE

Graphic Designer & Animator - Contractor / June 2025 – Present

- Designed, captured gameplay and animated social media assets for *Pokémon Go* averaging over 225k per video
- Collaborated with designers to develop and localize paid media assets for *Wildgate*, *Octopath Traveler 0*, *Limit Zero Breakers*, and *Time Takers*
- Assisted in 2D and 3D asset production for digital campaigns including thumbnails, presentations, social media assets, and more

JAM CITY

Senior Creative Marketing Artist - Motion Graphics / April 2023 – February 2025

- Edited and refined trailers for Harry Potter: Hogwarts Mystery, including *Hogwarts Diaries*, *Beyond Hogwarts*, and the *Webby Awards Acceptance*
- Directed and reviewed marketing assets, including brand videos, social assets, and trailers for Harry Potter: Hogwarts Mystery, Disney Emoji Blitz and Panda Pop
- Created high-performing video ad assets for HPHM, driving 10-20% of total spend within UA campaigns with budgets of \$1-1.5MM per month
- Led brainstorming sessions and a monthly Creative Critique, fostering innovation and continuous improvement within the creative team

Creative Marketing Artist - Motion Graphics / November 2020 – April 2023

- Conceptualized and produced high-performing video ads, screenshot treatments, and feature graphics, enhancing UA and ASO strategies
- Developed the HPHM Cam Rotation ad format, a top 1-2 performer in IPM and CTR, consistently the highest-spending asset across social, search, and network campaigns, and among the top 5-10 scaling assets in ROAS
- Designed video ads and filmed UGC for UA that achieved Top Performing Creative status over 20+ times
- Record and export high quality raw gameplay from HPHM and DEB's debug tool for marketing assets including statics, ads, trailers, and more

CAPACITY

Visual & Motion Designer / July 2019 – August 2020

- Collaborated with designers to create motion graphic broadcast packages for *Call of Duty: Modern Warfare MP Gameplay Premiere* and *2019 ForzaRC Invitational Series*
- Designed *Magic the Gathering: World Championship 2021* and *The Future of Magic Esports graphics*, ensuring brand consistency across digital content
- Assisted in 2D and 3D asset production for digital campaigns
